

Understanding Pricing

Understanding the relationship between packages and pricing.

Your final invoice will be based upon the final rooming list you will submit to Keynote Arts before an event.

The cost of a Keynote event package is based on how many people are in a room. The cost of a hotel room is a fixed cost, which is distributed between the numbers of people staying in a room. The number in a room may vary from one to four people. The following table illustrates this relationship:

Quad Package = Four in a room, each person pays $\frac{1}{4}$ of the room cost

Triple Package = Three in a room, each person pays $\frac{1}{3}$ of the room cost

Double Package = Two in a room, each person pays $\frac{1}{2}$ of the room cost

Single Package = One in a room, this person pays all of the room cost

For further help in determining a cost to submit to your students and parents, please contact Keynote Arts Associates at 800.522.2213.
